MONEY GROWS WHEN INVESTED
IN
REAL ESTATE

There's no better time to buy than now. You don't have to take our word—merely ask some of those who bought during the year or the year before. Every one can get a profit on this purchase. Why do you delay when you know this is true? We can relate many instances where men have become rich in a few years on real estate investments. One man in mind living in the state who had \$100 in cash, began buying real estate and to-day he is worth \$250,000, all done in five years. You can do likewise if you will only start now.

Drop in and let's talk it over. Our plan makes it possible for any ambitious wage-earner to own a home and become independent.

\$1350—New 5-room cottage, nicely finished, good location, all white, large grounds, shade and fruit trees, \$50 down and \$15 per month.

\$1500—Newly finished 5-room cottage, bath, roof and pantry, front and back gallery; splendid neighborhood, on Cervantes street, between 13th and 14th avenues.
